

## Pre-Business Curriculum Worksheet (2022-2023)

This worksheet outlines the required courses for this major. Students are expected to be familiar with general education and major-specific requirements for their intended major as outlined in the Clemson Undergraduate Catalog. Additionally, students must satisfy any Tri-County prerequisites for the courses below. Pre-Business is a non-degree granting program that students must complete if they plan to pursue a degree in Accounting, Economics B.S., Financial Management, Management, or Marketing at Clemson. Pre-Business is a limited enrollment program for first-year students and transfers. To complete Bridge program requirements and move directly into a business major, students must meet all Pre-Business requirements (courses listed below in **BOLD**), have a 2.5 cumulative Tri-County GPA (a cumulative 3.0 Tri-County GPA is required for Marketing), and have completed 30 transferable hours during their Bridge year (fall, spring, and optional summer, if needed). Students can change their major into Pre-Business until May 1, 2023.

<sup>1</sup> To remain in the Pre-Business major at the conclusion of the Bridge year, a student must complete these courses: **MAT 130/230 or 140/230 or 140/141** and either **ECO 210 or ECO 211** with a grade of C or better. <sup>2</sup> If ENG 101 + 102 is taken for English Composition requirement, ENG 102 should be taken instead of the Arts & Humanities (Lit.) requirement.

<sup>3</sup> To comply with the South Carolina REACH ACT, all undergraduate students must pass one of the following courses: HIS 201 or PSC 201. Students with AP, IB, or dual enrollment credit for these courses do not need to repeat them. Pending additional review, dual enrollment courses may be considered satisfactory for completion, but classes will need to be reviewed in more detail by Clemson Advisor.

<sup>4</sup> For students interested in majoring or minoring in Accounting or Finance, this course should be taken at Clemson.

## Pre-Business Curriculum Worksheet (2022-2023)

Advising worksheets are supplemental planning aids and are for informational purposes only. While every effort is made to ensure accuracy, the student's responsibility is to understand and meet degree requirements in the applicable Undergraduate Catalog. To complete Bridge program requirements and move directly into a business major, students must meet all Pre-Business requirements (courses listed below in BOLD), have a 2.5 cumulative Tri-County GPA (a cumulative 3.0 Tri-County GPA is required for Marketing), and have completed 30 transferable hours during their Bridge year (fall, spring, and optional summer, if needed). Students who do NOT complete these courses will be required to change their major from Pre-Business to another open enrollment major before entering Clemson for their sophomore year. Students are encouraged to consult with their Clemson adviser for assistance in selecting another open enrollment major.
